

2017 Membership Application / Renewal

The Bayou Country Cyclists club (BCC) is an organization dedicated to promoting bicycling with an emphasis on advancing bicycle riding as recreation, an alternative mode of transportation and racing in the greater Houma-Thibodaux area through its various cycling activities. The BCC was founded in 1993 as a non-profit corporation and has become a solid recreational club since that time. The club is a member of the League of American Bicyclists (LAB). The BCC represents a wide range of cyclists, from beginners to seasoned competitive riders. BCC members are always available to advise prospective members about training, riding and racing techniques. Club members organize training rides and events with the goal of developing riders to promote cyclists as good citizens of the community where the members live, work and play and for competition should the rider be interested. The club organizes group trips to area races, including the MS ride in October and the various rides put on by other clubs throughout the year. We invite you to become a member of this unique family of cyclists.
